Department of Labor,
I am smart enough to plan for my own retirement!

Don't help me. Besides, I worked for it. It's mine.

How is it that politicians on either side think they know how to spend my savings better than I, when they spend more than they take in? That's irresponsible!

A while back some on the Right proposed to get rid of social security and set up the peoples individual retirement accounts. The Left was against that.

So again...don't help me. I know what I'm doing.
